

At The Hazeley Academy we are focused on developing the Character, Confidence and Creativity (3Cs) of our students, which are closely, intertwined with the promotion of the students Spiritual, Moral, Social and Cultural (SMSC) development. Through the development of the 3Cs and the promotion of SMSC we promote the **Hazeley Values**.

I will always strive to model the Hazeley Values and to contribute positively to the Academy, as I will....

- Have the **Confidence, Character and Creativity** to take part in a range of activities which require different social skills.
- Have the **Character and Confidence** to resolve conflict and **challenge** those who express opinions contrary to our fundamental **Values**.
- Demonstrate and value **Fairness and team work**.
- Volunteer and understand how I can contribute to the **wider community**, through my actions and loyalty.
- Have the **Confidence and Character** to choose right from wrong and respect the **law of the land** and understand the consequences of my own and others actions.
- Have the **Confidence and Character** to change my behaviours for a positive outcome, by taking risks and showing resilience.
- Show respect and tolerance to the range of cultures, lifestyle choices and attitudes within our society.
- Have the **Confidence** to respect freedom of speech and expression of opinion, but the **confidence** to **challenge if it is imposed on another**.
- Have awareness and respect of diversity and **confidence** to stand up to prejudices, and respect **individual liberty and democracy**.
- Display **creativity** through artistic, sporting, linguistic and cultural opportunities.
- Have the **Confidence** as a Global Citizen to fully participate in today's **modern society**.
- Have the **Confidence and Character** to respect and reflect on my **faith/beliefs** as well as those of the other **major religions** and **cultures** of the World.
- Reflect on different experiences.
- Appreciate and use **creative** thinking in all areas of life.
