### Premises and facilities

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity and that fits within the day to day running of the academy. The academy will also make available equipment for delivering and supporting the provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Leader, this literature will be made available to students.
