

Snow Plan

The Hazeley Academy will endeavour to stay open for as many students as possible for as long as possible and will aim to return to normality as soon as possible during any period of inclement weather. Please note that parents and staff should not travel to school if they cannot do so safely. To better co-ordinate our responses to snow please refer to the Academy Snow Plan below. The Academy will restrict its opening if (in the opinion of the Principal) and based on the best advice available to him at the time (please see the **Indicators** listed below) if the risk to students, parents and staff from travelling in to school is too great. Please note the following sources of information that you will need to monitor during the period covered by the Snow Plan:-

1. www.thehazeleyacademy.com
2. School Comms notification (please ensure the Academy holds a current primary email/mobile number for you)
3. <http://www.milton-keynes.gov.uk/Closures>
4. Local Radio

DISCLAIMER: In the event of a closure part way through the day:

Students will be dismissed following communication via School Comms.

Please consider your alternative arrangements in the event of an emergency closure and remember the more local students who walk home the less road congestion and delays will occur on the surrounding roads.

In order for us to communicate effectively with you via School Comms please ensure your primary telephone contact and e-mail address on record are up to date at all times.

If you DO NOT want your child to be immediately dismissed then please inform us in writing.
