Dear Parent/Carer

Photograph Consent form for use by schools

Occasionally, we may take photographs of the students in the Academy. We use these images as part of our Academy displays and sometimes in other printed publications. We will also use them on the Academy’s website and social media accounts.

If we use photographs of individual students, we will not use the name of that child in the accompanying text or photo caption. If we name a student in the text, we will not use a photograph of that child to accompany the article. If a child has won an award and the parent would like the name of their child to accompany their picture, we will obtain permission from the parent before using the image.

From time to time, our Academy may be visited by the media who will take photographs or film footage of a high profile event. Students may appear in these images, which will sometimes be published in local or national newspapers, or on approved websites.

To comply with the General Data Protection Regulations and the Data Protection Act 2018, we need your permission before we can photograph or make any recordings of your child. Please indicate the permissions you are willing to give, then sign and date the form where shown and return the reply slip to Student Services.

Yours faithfully,

The Hazeley Academy
