

Course information for Parents

Keystage: 5 (Year 12 and Year 13) Subject: Biology

Subject Lead contact information Mr D Makoon	Phone: 01908 555620	Email: dmakoon@thehazeleyacademy.com
--	---------------------	---

Examination Board	AQA	Specification Code	7401-7402
--------------------------	-----	---------------------------	-----------

Subject Content

2.1 Subject content

Core content

- 1 [Biological molecules](#) (page 11)
- 2 [Cells](#) (page 19)
- 3 [Organisms exchange substances with their environment](#) (page 25)
- 4 [Genetic information, variation and relationships between organisms](#) (page 30)
- 5 [Energy transfers in and between organisms](#) (A-level only) (page 36)
- 6 [Organisms respond to changes in their internal and external environments](#) (A-level only) (page 41)
- 7 [Genetics, populations, evolution and ecosystems](#) (A-level only) (page 47)
- 8 [The control of gene expression](#) (A-level only) (page 51)

2.2 AS

Assessments

Paper 1	+	Paper 2
What's assessed		What's assessed
<ul style="list-style-type: none"> Any content from topics 1–4, including relevant practical skills 		<ul style="list-style-type: none"> Any content from topics 1–4, including relevant practical skills
Assessed		Assessed
<ul style="list-style-type: none"> written exam: 1 hour 30 minutes 75 marks 50% of AS 		<ul style="list-style-type: none"> written exam: 1 hour 30 minutes 75 marks 50% of AS
Questions		Questions
<ul style="list-style-type: none"> 65 marks: short answer questions 10 marks: comprehension question 		<ul style="list-style-type: none"> 65 marks: short answer questions 10 marks: extended response questions

What's assessed <ul style="list-style-type: none">Any content from topics 1– 4, including relevant practical skills		What's assessed <ul style="list-style-type: none">Any content from topics 5–8, including relevant practical skills		What's assessed <ul style="list-style-type: none">Any content from topics 1–8, including relevant practical skills
Assessed <ul style="list-style-type: none">written exam: 2 hours91 marks35% of A-level		Assessed <ul style="list-style-type: none">written exam: 2 hours91 marks35% of A-level		Assessed <ul style="list-style-type: none">written exam: 2 hours78 marks30% of A-level
Questions <ul style="list-style-type: none">76 marks: a mixture of short and long answer questions15 marks: extended response questions		Questions <ul style="list-style-type: none">76 marks: a mixture of short and long answer questions15 marks: comprehension question		Questions <ul style="list-style-type: none">38 marks: structured questions, including practical techniques15 marks: critical analysis of given experimental data25 marks: one essay from a choice of two titles

Additional Equipment Needed (Ingredients, headphones, PE kit, etc.)

- Calculator for every Science lesson
- Lab coat for practicals

Assessment Details:

To be successful students will need to be able to:

- Develop revision techniques using their classroom notes and revision guides.
- Complete exam style questions in the classroom (personalised learning), a minimum of once a week.
- Complete one end of topic assessment and one overview assessment each term.
- Carry out a minimum of 6 required practicals across each academic year (see full specification for details)
- Be able to recall details of these for their exams.

Course information for Parents

What can I do to support my child at home?

- Learning key words and definitions provided in their AQA Biology book.
- Ensure diagnostic homework on DIRT tasks is completed.
- Ask your child to explain what they have learnt today.
- Encourage your child to read Biological related topics in scientific journals.
- Provide students with extra revision guides and/or workbooks **linked to the specification** e.g.:
- https://www.amazon.co.uk/GCSE-Biology-Revision-Guide-Science/dp/1408508281/ref=sr_1_4?s=books&ie=UTF8&qid=1467880724&sr=1-4&keywords=aqa+as+biology+revision+guides
- Use revision websites to make revision notes e.g.
<http://www.alevelbiology.co.uk/as2.html>
