

Course information for Parents

Year/Keystage: KS5 Subject: EPQ

Subject Lead contact information		Phone: 01908 555620	Email: bmayles@thehazeleyacademy.com
Examination Board	AQA	Specification Code	7993
Subject Content			
The extended project is a level 3 qualification, students plan, manage an independent research project submitting a 5000 word essay or artefact with a 1000 word essay on a subject of their choice. The project must be an extension of their learning and must not have any overlap with the subjects they are studying.			
Additional Equipment Needed (Ingredients, headphones, PE kit, etc.) N/A			
Assessment Details:			
<ul style="list-style-type: none"> • To be successful students will need to be able to: • Identify, design, plan and complete an individual project. • Obtain, critically select and use information from a range of sources; analyse data, apply it relevantly and demonstrate understanding. • Select and use a range of skills, solve problems, make decisions and achieve their planned outcomes • Evaluate outcomes both in relation to their agreed aims and objectives and their own performance. 			
Most importantly they need to manage their own time and be independent.			
What can I do to support my child at home?			
Check in with your son/daughter that they are on track with their project plan. Proof read their work for them			
Recommended resources for the course:			
Due to the nature of the course and the independent research element of this course, we are unable to recommend resources to them.
