

Hazeley Sixth Form

BTEC Health and Social Care AAQ

EXAM BOARD: PEARSON EDEXCEL

SPEC CODE: 610/3964/0

ASSESSMENT: 2 Exams, 2 Coursework Units

The aim of the Level 3 AAQ in Health and Social Care is to provide learners with a greater understanding of the sector in which they wish to enter. The design of the course is to help learners build high-level skills such as teamwork, creative thinking, and presentation skills. It helps to develop independent research and study skills that are essential for success at university.

How will I be assessed?

Unit 1: Human Lifespan and Development – Exam

Unit 2: Human Biology and Health – Exam

Unit 3: Principles of Health and Social Care Practice – Coursework

Unit 5: Promoting Health Education - Coursework

Assessment of coursework is ongoing throughout the year, so from the outset students will have a clear idea of their level of achievement, this will guide and support careers advice, which is also ongoing throughout the course, and run on an individual basis

Where will this subject lead me?

This programme is aimed at students who have a real desire to work in the NHS or affiliated services and care for others in careers as varied as health care assistants, social workers, paramedics, physiotherapists, nurses and clinical psychologists.

BSc (Hons) in Nursing, BA (Hons) in Social Work, BSc (Hons) in Physiotherapy, BSc (Hons) in Occupational Therapy, BSc (Hons) in Speech Therapy, BA (Hons) in Health and Social Care
