

Drama Year 9 into Year 10

You only need to complete the homework if you are continuing on into Year 10.

Your summer homework task is to make a poster for 3 different skills.

They can be any combination of physical, vocal or performance skills.

The handout must contain:

- A definition of the skills
- How the skills can be used
- Why the skills are important
- An icon or image of the skill.

I look forward to seeing your submissions!
