

Dear Students/Parents/Carers,

March 2021

As an Academy we have been busy digesting the information from the DfE on the awarding of grades this summer, as you will be aware these are going to be centre assessed grades. The instruction is to provide students with opportunities to complete in class assessments, that will provide their teachers with further evidence of their ability from a range of content from their course, alongside the work they have already completed. These assessments will run through until the students last day on Friday 21<sup>st</sup> May 2021. Their PPE results will also be used towards the centre assessed grades.

Accompanying this letter is a timetable of all the subjects, planned dates of assessments, including the lessons these will take place in. From next week teachers will be going through this with their students, providing them with the topics for each assessment. Hopefully, by having this plan now and knowing the topics that will be assessed, it gives the students ample time to prepare.

As you will see from the timetable, students are being given lots of opportunities to demonstrate their subject knowledge and ability, so it is essential that students attend all their planned assessments, as we will not be able to re-schedule these.

Students will receive the outcome of each of their assessments, however it is important to stress that any grades shared with the students are not automatically converted to the students' final grade that is awarded, as schools are asked to work within the constraints of previous attainment of students.

Departments will be moderating all the assessments; the grades will then be quality assured by the data team and the key senior leaders before they are submitted to the exam boards.

If students have any concerns over any of their subjects' assessments, please ask them to speak to their class teacher or subject leader in the first instance, as they will be best placed to help support from a subject perspective.

Lessons will continue to run throughout this assessment period, as the lessons will be focused around preparing them for each assessment. Lessons will finish for Year 11 on Friday 21<sup>st</sup> May, their leavers assembly will be lesson 5 on this day and they will leave school at 3:15pm.

Final grades will not be shared with students prior to results day. Exam results day and enrolment for sixth form will take place on Thursday 12<sup>th</sup> August, more details will follow.

I hope having this timetable will re-assure students they are being given lots of opportunities to achieve their potential and allow them to prepare thoroughly throughout.

Thank you in advance for supporting your son/daughter with the preparation and attendance for their assessments.

Kind regards

Miss Whiteman  
Senior Deputy Principal
