

## Hazeley Updates and Reminders

Dear Parents & Carers

The closer we work together, the more your child and the community will benefit. We are tremendously fortunate at Hazeley to have such engaged parents and we hope that the updates and reminders below help build on this.

### **Do you want your child and local community to be physically, mentally and socially healthier?**

Then please encourage your child to walk, or cycle, to school. If they must travel by car, please consider helping them to enjoy a short walk and reduce congestion by using one of the potential drop off/pick up points near to the school. Click here to find out more - [Drop off points](#). If you do need to access the school car park to drop off in the morning, please utilise the one way drop off zone at the front of the school. This is a safe quick area to drop and go, allowing continuous flow of traffic.

### **Is safety and respect important to you?**

We have been concerned over the last few days about children exiting cars by the main gate and having to cross in front of other cars. The children's safety is our number one priority within the Academy. Staff and the school council will be politely discouraging discourteous parking in the car park and the area outside the school gates. It is important drivers are respectful of our local residents, as well as other users of the school car park. It is important we work together for the benefit of our whole community.

### **Are you running low on COVID home testing kits?**

We have the next set of home testing kits within the Academy. Please expect your child in Year 7 to Year 10 to be bringing these home on Friday 18<sup>th</sup> June. Year 12 will receive them when they return to lessons. Can we also remind you to continue the twice weekly testing. This is vital to keep our entire community safe and to stop unnecessary students and families having to self-isolate.

### **Do you want to find out summer school activities for Year 7 to 9?**

We still have spaces left on the amazing summer school provision activities we are offering this year. If you would like to sign your child up for these please use the links below (year 9 are able to choose from both):

[Year 7 and Year 9 Summer School \(office.com\)](#)

[Year 8 and Year 9 Summer School \(office.com\)](#)

Further information can be found by contacting Miss Whiteman at [twhiteman@thehazeleyacademy.com](mailto:twhiteman@thehazeleyacademy.com).

Your views matter to us. If you could spare a few moments, we would welcome your feedback - [Parent Survey](#).

Keep safe, but have fun.

Mr Nelson
