Returning to a normal school timing of the day for Year 10 from 7th June

As the number of positive cases of COVID-19 continues to decrease within Milton Keynes, and school numbers will have reduced as Year 11 and Year 13 have finished, we would like to return Year 10 to having a normal school timing day. They will need to be in the Academy by 8.35 a.m. and go straight to form and then their school day will finish at 3.15 p.m.

This will mean that for the first week the carpark might be additionally busy at key times so please take this into account with your journeys to the Academy.
