

Nov 2021

Dear Parents/Carers of Year 11,

To keep you informed of the upcoming Pre-Public Exams (PPEs/mock exams), please see below for the plan regarding dates, study leave and the last day of term.

Study Leave

To support Year 11s with their next PPEs, we have decided to honour them a Study Leave period, to alleviate the pressure of attending lessons in between their exams. This will run from the 13th December- 11th January.

Students will be required to arrive for their exams and leave the premises after each exam.

For those students unable to return home in between each exam: we have a space available for these students to use for focused study time.

Please note: the study space provided will not be available to use on Friday 17th December, as this is the last day of term and students will be required to return home after their morning exam (there is no PM exam scheduled for this day).

Normal lessons will resume as of the 12th January 2022.

Non-school uniform

To ensure our Year 11s don't miss out on a non-school uniform day, they are allowed to partake on the last day of term- Friday 17th December. Clothing should be appropriate, in line with the Academy's expectations: no short skirts, no bare midriffs, no hats or hoods worn up. Please contact your child's form tutor should you have any queries regarding this.

Revision Timetables

A new set of revision timetables have been created for the topics featured in the upcoming PPEs. We have used the same format as the previous revision timetables (issued in September); a completed version is available for students, additionally, we understand students may wish to create their own, so a blank version is also available, with a list of the topics at the bottom of the page.

These will be available in the Year 11 Group on Teams, in the 'Files' section, in the folder name 'Revision Timetables', alternatively please use the following link

[Revision Timetables](#)

I hope you find this information useful. Please do not hesitate to contact me should you have any questions.

Best wishes,

Miss N Gardner

Progress Leader for Year 11
