

12<sup>th</sup> May 2022

Dear Parents/Carers,

We have reached the end of an important time for our Year 11 and Year 13 students as they prepare to start their study leave on Monday 16<sup>th</sup> May. The very best of luck in their exams, and just remember the support continues throughout the exam period. Please find important year group information and useful revision support reminders. Have a wonderful rest of your week and enjoy the sunshine.

### Year Group Notices

#### **Year 9 - PPE's**

The week commencing the 23<sup>rd</sup> of May, Year 9's will be undertaking an exam week for the core subjects of Maths, English and Science. These will be run in their usual lesson time, although they will be seated in alphabetical order, so they may not be in their regular room.

We have provided the students with an exam revision guide. Included in which will be tips on revision techniques, topic lists to aid revision, and an exam timetable. Students will also receive a personalised exam timetable that we urge them to write in their planner to help assist their organisation.

There are several ways you can help your child in the build-up and during the exam period.

- Please ensure they have a dedicated workspace to help them revise.
- Limit devices late at night to ensure they are rested.
- Ensure there is a balance between relaxation and work.
- Please help them organise their stationery for the exam, including a calculator, maths equipment, ruler, pen (including spares), and pencil (including spare and sharpener).

If you have any queries regarding exam week, please do not hesitate to contact Mr Rose [crose@thehazeleyacademy.com](mailto:crose@thehazeleyacademy.com)

#### **Year 11 – The next steps**

**Exam timetables** - all students have been given their official exam timetable. The generic timetable, for all exams, can be found here [The Hazeley Academy - Exams](#)

**Friday 13th May** - Year 11 will have a normal day (form time, P1, 2, 3 and 4 until lunch). This will be an extended lunch (1:40-2:45pm) where Year 11 will be signing their shirts and taking photos. The Leaver's Assembly will take place from 2:45-3:15pm.

**Monday 16th May - Thursday 23rd June** – During this time, students do not attend form time, they must sign in/out via Reception. Students attend all lessons they still have an examination in (e.g., they won't need to attend PE or Art)

**Q2** will be available for those students whose lessons have finished and don't wish to leave the school; this will be a silent study space. They must come prepared with resources; students will be told to leave if the study space expectations are not adhered to.

Students can either use the Canteen between 12:40-1:10pm (they swap to early lunch for the exam period), or they can go to the local shops, in between lessons, if they are free. It is critical that they sign in/out at Reception and respect our local community.

#### **Exams**

Full school uniform. PE kit is not permitted. AM exams - 8:45am PM exams - 1:15pm

If you're late, you cannot enter the exam. If you know there may be an issue, contact Miss Gardner/Ms Tait/ Miss Whiteman in advance.

## Year 13

### Study Leave

Students start study leave from Monday 16<sup>th</sup> May, from this date students only need to come into school for their exams, although they are more than welcome to continue to come in to use the study spaces to complete their revision. When students are on site either for exams or to study, they must sign in using the Inventory system, should be dressed as per the sixth form dress code and must be wearing their student ID lanyard.

### Exams

Students should aim to be on site at least 15mins prior to the start of their exam. Once students have completed all of their exams, they will need to complete their leavers form to confirm they have returned all their textbooks and fobs.

We wish all of Year 13 the very best of luck for their exams.

## Updates

### Careers week

Next week sees the last of our Careers week for this academic year. Lessons will be overtly making connections between knowledge, skills, subjects and the world of work. Different subjects have been assigned to different year groups to focus on, as per the table below, and as ever, we would urge students to use this week as an opportunity to revisit and review their Unifrog accounts.

### **Period Poverty**

No student should ever feel concerned that they do not have sanitary products when they are on their period. We have tampons and sanitary pads available for all students, who need them. If your child would like 3-month pack to take home, please email Miss Hall [shall@thehazeleyacademy.com](mailto:shall@thehazeleyacademy.com) and we will arrange for your child to collect, discreetly of course. Alternatively, products are available throughout the school day from student services, matron, library, sixth form and all staff workrooms.

### **Have You Checked Out HazeleyZone?**

Just before Easter, Mrs Harrier-Wilson led the whole school in a lead lesson to launch the HazeleyZone. The HazeleyZone is an area of Microsoft Teams that has revision resources and support for every subject that your child studies. The key to academic success is creating great routines and using appropriate resources as early as possible- HazeleyZone has everything needed to learn independently. When your child logs on to Teams, click the top left button to access the HazeleyZone.

It looks like this:

If your child needs any help with passwords, please email our IT support team at [ITS@thehazeleyacademy.com](mailto:ITS@thehazeleyacademy.com)

Kind regards,
