Milton Keynes Hospital Trust Victory – Miss Jelley

What does the MK Hospital Trust say about what they do?

- **We care:** We deliver safe, effective and high quality care for every patient. We treat everyone who uses our services, and their families, friends and carers, with dignity, respect and compassion; and we treat each other as we would wish to be treated ourselves.
- **We communicate:** We say #hellomynameis; we keep patients informed about and involved and engaged in their treatment and care.
- **We collaborate:** We work together and with GPs, primary care, community care, social care and mental health providers and other hospitals.
- **We contribute:** We are willing to join in and play our part to make our hospital the best it can be.

Teenage Cancer Trust Colossus – Miss Emerton

- YOUNG PEOPLE SHOULDN'T HAVE TO FACE CANCER ALONE
- Every day, seven young people aged 13-24 hear the words “you have cancer”. They will each need specialised nursing care and support to get them through it.
- The Teenage Cancer Trust are the only UK charity dedicated to providing the specialised nursing care and support young people with cancer need.

MK Young Carers

Enigma – Mr Nwaolise

- Young carers are 8-19 year olds caring for a family member with a physical or mental illness, a disability, or a drug or alcohol related problem. The person being cared for may be a parent, sibling or other relative living in the same household.

MK Young Carers support in a number of ways:

- regular clubs and activities
- one-to-one support where needed
- someone to talk to who understands
- targeted group work
- information, advice and signposting
- opportunity to meet with other young carers
- support in schools

RSPCA

Cobra – Mr Spencer

- Every year thousands of animals suffer from neglect, cruelty and abuse. The RSPCA works to end their misery. The RSPCA rely on voluntary fundraising and donations to carry out their vital work.
- Through investigations and prosecutions, the RSPCA stand up to those who deliberately harm animals to send out a clear message - we will not tolerate animal abuse. Highly trained officers tackle neglect and cruelty on every level working to stamp out animal cruelty.

Non-uniform day

- Appropriate clothing – no short skirts, bare midriffs or shoulders.
- If you have PE lessons, clothing should be suitable for sports.
- No hoop or large earrings – this is a safety issue as they can get accidentally caught e.g. in a corridor.
- No hats, hoods worn up or headwear.
- Respectful behaviour throughout the day.

A day to enjoy!

- Non-uniform days are a day for all to enjoy!
- At Hazeley we believe that the **'differences between us make us stronger'**.
- We stand by our **5Cs** to ensure that everyone has opportunity and aspiration to succeed in their goals.
- Non-uniform days are a chance to express our identity and support others with the House charities.
