

Biology KS3

Blue Boxes are core practical's.

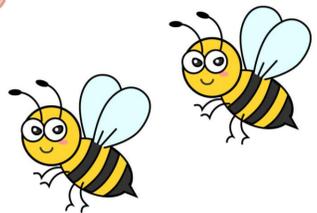

8D - Microbes

Investigating Sizes Vs Diffusion

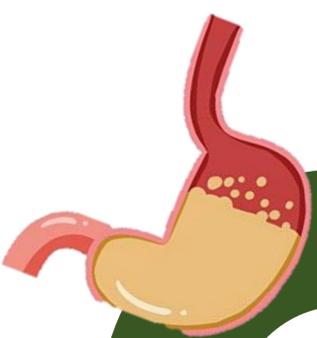

8C - Gas Exchange

Investigating Peak Flow

8B - Plants & Reproduction

Investigating Pollination

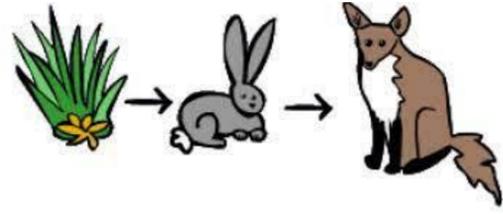

8A - Digestion

Investigating Nutrients

7D - Causes of Variation

Investigating Algae & Fertiliser

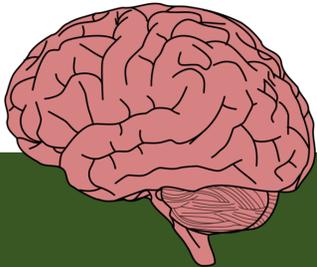

7C - The Human Body

Stamina Testing

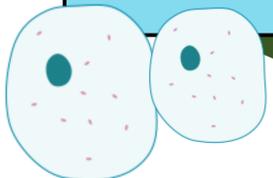

7B - Reproduction

Investigating Heights

7A - Life Processes

Investigating Cheek Cells

Bunsen Burner Licence

Introduction to Laboratory Safety
