Understanding your Child's report

Subject	KS3 Target	WAG	FOG	Attitude to Learning	Comment and curricular targets
English	5	3	5	3	In order to improve Freddie should ensure that he always pays particular attention to individual words and language devices within PEEA paragraphs, whilst considering the author's intentions.

Years 7-8
KS3 Target is what they should achieve by the end of year 8.

Years 9-11
KS4 Target is what they should achieve by the end of year 11.

6th Form
KS5 Target is what they should achieve by the end of yr13.

WAG stands for working at grade. It is a combination of recent assessments.

FOG stands for forecast grade. It represents what the teachers think your child will achieve at the end of that key stage.

Attitude to learning is a score based on their standard of classwork, homework, general attitude to studies, uniform, timekeeping, equipment and behaviour.

Comments are written by the teacher to give feedback on areas to improve before the next PR. They are only written on a standard PR if the student has been forecast below their Target. One report a year will be a Main PR and will have a comment from all teachers.
