

5th and 7th July 2023

This document gives advice about what to do if you are required to learn at home for a short period of time.

Wednesday 5th July – **Year 8 ONLY on Home Learning**, Year 10 on Study Leave and come in only for Exams.

Friday 7th July - **Year 7 ONLY on Home Learning**, Year 10 on Study Leave and come in only for Exams.

Task 1- Complete set work. Complete all work that have been set in your Year Group folder (link found in the main letter)

Task 2 – Watch Recorded Lessons for English and Maths

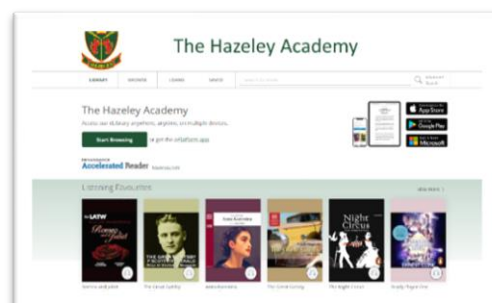

Year	Link to Recorded Lessons
7	Maths: Oak National Academy – Axioms and Arrays English: Oak National Academy – Shakespeare's Sonnets
8	Maths: Oak National Academy – Factors and Multiples English: Oak National Academy – Clauses and Tenses
9	Year 9 are <u>in school</u> for both strike days.
10	Maths: Oak National Academy – Surds English: Revision Video – An Inspector Calls

Task 3 - Complete all outstanding homework. This can be found on your Microsoft Teams under assignments. Just click the backpack button.

Task 4 -Our Virtual Library

Try to read for at least 30 minutes per day. You can use our online library to read books you enjoy. Here is how to log on. Go to this email address: <https://thehazeleyacademy.eplatform.co/> Log in using your school username and the password hazeley1 Email Library@thehazeleyacademy.com if you need support.

Task 5: Researching Future Careers and Jobs

Unifrog www.unifrog.org

5th and 7th July 2023

You can access this from home, if you have forgotten your password, click the password reminder button. Use your home email not school. If you are unsure of your career aspirations, use the careers library or subject library to read about different careers. You will need a CV at some point, use the CV builder to create your own demonstrating your strengths and qualities. Finally use the University and Apprenticeship search tools to research different degree programmes, universities, and apprenticeship programmes.

Task 6: Learn A Range of Study Skills

Become an expert learner. Learn how to study independently and revise effectively. Learn these following study skills:

[The Leitner System for using flash cards](#)

[The Cornell System for notetaking](#)

[Mind mapping for revision](#)

[Active Revision to engage your brain](#)

Task 7: Create a Range of Revision Resources.

Using the study skills you have learned, create resources that you can use to revise when you return to school. Use this time to get ahead! Here are some useful revision websites:

[Sparknotes](#)

[BBC Bitesize](#)

[Seneca](#)

[Khan Academy](#)

Task 7: Aim High!

Lots of universities and colleges are offering free courses in a range of exciting topics. Some examples of courses include how to write your first song; medicine, fashion... the list is endless! Get stuck in!

Courses can be found on the [Future Learn Schools Website.](#)
