

Office 365

Should students need to access their Office 365 account at home:

Step 1 - Please use this link. www.office.com. Office 365 account includes Teams, OneDrive and email account.

Step 2 – Sign in with full email address and password (as they would at school)

If students wish to access just their email account, please use the following url: <https://outlook.office.com/>

If you have any problems, please email its@thehazeleyacademy.com
