

Dear Parents/Carers

We have had several instances of students attempting to purchase food from the canteen without sufficient funds on their account.

Can we please ask you to check that your child's balance regularly and ensure they have enough credit to cover **all** purchases throughout the school day.

If you require your ParentPay log-in details please contact our Finance Team at finance@thehazeleyacademy.com

Finance can also set a Daily Warning Limit on your child's account if you are concerned, they are spending too much.

For potential Free School Meals eligibility, please look at our website for the link, or contact our Data Team at data@thehazeleyacademy.com

Thank you

Hazeley Academy Finance
