

July 2020

Dear Parents and Carers,

Re: We need your views please

At the start of lock down we set a target to **“come back stronger”** and parents and carers have played a massive part in making this aspiration a reality. I know it must have been hard at times, but I hope you are proud of what you have achieved - home schooling whilst also juggling the challenges of a global pandemic.

Every member of the Hazeley leadership team feels that the relationship between parents/ carers and Hazeley has improved over this period, as we truly worked **with** each other to support the children. I wonder how many other communities feel the same. It certainly feels to me that we are part of something exceptional and I thank you for playing your part.

In true Hazeley style we want to build on this further and to make this happen we need your feedback. We would be grateful if you could invest just five minutes completing the survey in the link below as this will help guide the improvements in your child's school.

[Please click here to complete the survey.](#)

Over the weekend Miss Whiteman and I will be finalising the draft plans for the September return and hope to share them with you early next week. Until then have a lovely weekend - keep safe, but have fun.

Kind regards,

Mr Nelson
Principal
