

Dear Parents/Carers

Thank you for the completion of the online forms; these really are crucial in our planning and arrangements for having an amazing start to your child's journey with us in September. If you are not sure whether you have completed all the forms, or have any questions about them, please do get in touch at admissions@thehazeleyacademy.com.

We are already in the process of planning the Transition Day for Monday 28th June with fingers firmly crossed that we will be able to welcome your children into the building for the event. Of course, you can be assured that we have an alternative plan for a virtual day if things do have to move online.

Via this link - [Student Perspective of a Virtual Transition - YouTube](#) you will find a video from one of our current Year 7 students that, in conjunction with the reflections from one of our parents in the last communication, we share to increase yours and your child's feelings of being a part of the Hazeley Community. You may also like to join our Facebook portal to further increase that feeling ([The Hazeley Academy Parent Portal | Facebook](#)).

We will continue to be in touch at regular intervals and after the half term break we will increase the frequency and have key themes in each communication.

Until then I hope that you and your family are able to stay safe as restrictions lift.

Kind regards

Mr Whitney
Assistant Principal for Curriculum and Transition
